Hello everyone,

On Friday 22nd we will be holding a MUFTI Day to support Woonona Surf Lifesaving Club.

A representative from the club will attend to talk to the children about surf safety.

Students are asked to wear their board shorts and bring a gold coin donation. No thongs please.

This is also the Stage 3 Leadership Day and it will continue as planned and students will wear their boardies on the day.

This is a great opportunity to support our local volunteers who give up their own time throughout the year to keep us safe at the beach.

Parent Teacher Information Sessions
Teachers will be sharing information about class organisation and happenings. This is a great opportunity to meet your child’s teacher and hear their expectations and plans for your child’s class in 2013.

**Book club issue**
Hi everyone and welcome to book club for 2013. Magazines for the first issue for 2013 go home this afternoon. Please note all orders are to be back in the office by MONDAY 18th February.
Book club is a great way of supporting the school. Every time you order a book for yourself a percentage of that book order goes towards books for the school. Last year we were able to purchase over $1400.00 worth of new books for the library! Thank you!
Just a few reminders: There are three ways to pay for purchases. If you are paying by cheque please make cheque payable to Scholastic Australia. For credit card payments you need to phone the number on the order form and write the receipt number they give you and not your credit card number in the box. If you are paying by cash please ensure that you have the correct money.
Your books will come home in a reusable shopping bag. Please return your bag to the office as soon as you can.
If you ever want to order a surprise for your child just pop a note in with your order and we will leave your books in the office for collection.
Happy browsing.

Protect your child for only $29* per year

Accidents and injuries do happen, especially to children! The costs of medical treatment, disability and ongoing care can place enormous financial stress on families.

Unfortunately parents are too often surprised to learn just how little cover, if any, their children have when they are at school or at play.

You can’t prevent an accident, but you can have peace of mind for only $29 per year. StudentCover Student Accident Insurance is an affordable way to protect your child 24/7* at school and elsewhere, and is underwritten by one of the world’s leading insurers.

Applications for StudentCover are only accepted online, so to get the peace of mind you need, visit www.studentcover.com.au for more information and to apply online.
